### WHERE ALL THE NEWS IS GOOD BREWS

**Beer is living proof that God loves us and wants to see us happy.**

.....Benjamin Franklin

Welcome to Ed's Tavern. Originally built back in 1921, this building has seen many incarnations before it became Ed's. Most notably, Martin's Hardware Store- the original neon sign still hangs in the front of the Tavern. Mr. Martin and Billy Graham were good friends and hung out here on many occasions. The old brick walls, the antique lights from the US Mint, and the old wood floors have seen a lot of changes, but one thing has never changed- this has been a place where people meet and enjoy each others company.

Having celebrated our 5th Anniversary here in Historic Dilworth on September 11th, we simply cannot express enough our thanks to every person who has walked through our doors...whether it be just once while visiting our community, or whether it be hundreds of times as locals with family and friends.

As owners of a local family business, community is very important to us...that includes living, working, playing, volunteering and donating in a special place called Charlotte, NC. You can rest assured that your money spent here stays in the Queen City area and supports the lives of our employees and dozens of local non-profit and community agencies. We especially honor the service of our local Police and Fire Fighters, as well as all of our armed service members.

So, sit back, relax, and tip a pint or two or share a meal with those you care most about, here at your fun and friendly neighborhood Pub.

*Alan & Krisztina Cole, Proprietors*
